To Whom It May Concern:

Over the years as a Director of the Senior Center in West Sacramento, I have had the opportunity to work with many exceptional and sympathetic individuals. However, at the top of my list is the name of Rey Dela Cruz.

In our years working together, Rey consistently delivers significant results along with a unique ability to proficiently apply his Medicare knowledge in meeting the needs for myself and others. I have always admired Rey's driven approach, his willingness to listen, his compassion interacting with challenging personalities, interpreting and explaining the rules and regulations of the Medicare Industry. Rey has always created an atmosphere that resulted in a truly enjoyable experience for anyone involved while providing excellent service and forming a positive end result.

I look forward to our continued relationship now and in the future.

Sincerely,
